

VILLAGE

Palazzo  
delle  
Biscie

Choose to live  
special moments  
in nature, art and relax

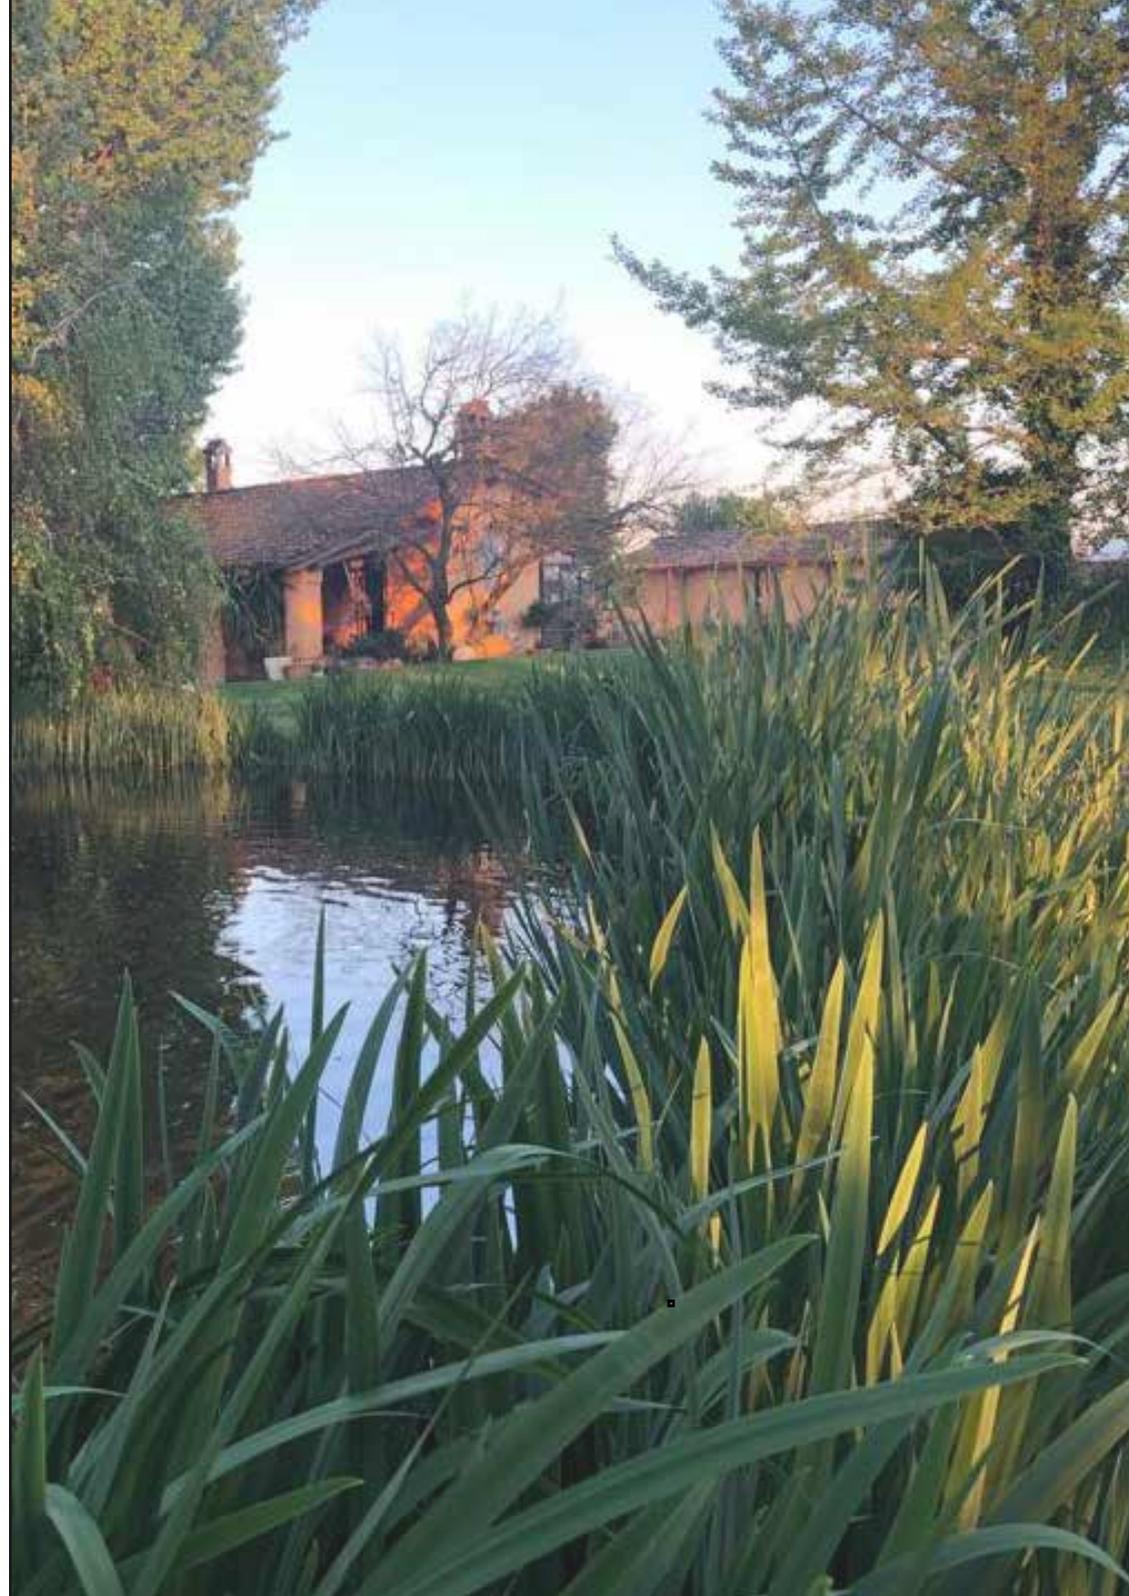

## A charm to discover

The Palazzo delle Biscie Village is surrounded by two hectares of park, with centuries-old trees, charming ponds, historical memories and art.

A unique opportunity to enjoy the taste of exclusive moments, surrounded by the green of the countryside, comfort and beauty.

Spending beautiful relaxing days in the park lodges, sunbathing in the pool or at the edge of the pond, meditating under the large willow.

Or visit the rooms of the Palace rich in art and history.

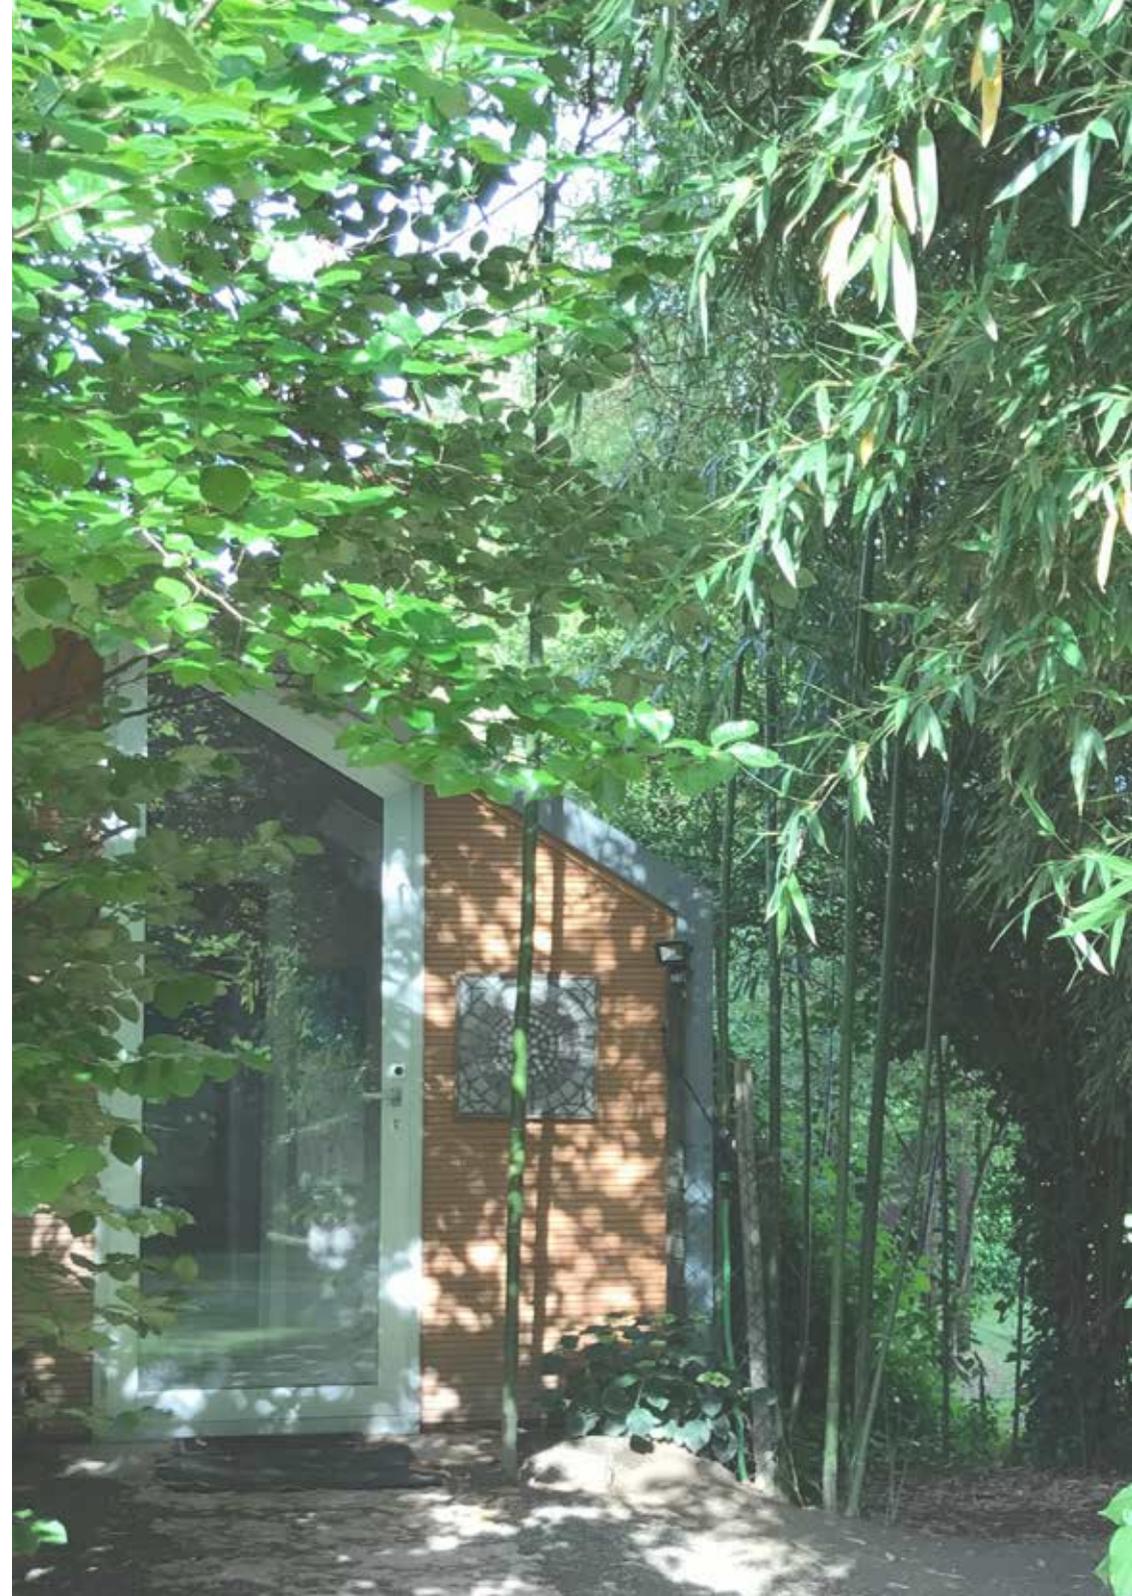

## The lodges

The lodges are perfectly integrated into the vegetation of the park.

Made with the most innovative sustainability techniques, they are arranged in order to enjoy the maximum outdoor space in total privacy.

Different colours and solutions to meet every need, to combine comfort with the freedom of a stay in close contact with nature and beauty.

## Lodge del Bambu

Nestled in the park and surrounded by bamboo, the Lodge del Bambu is ideal for a relaxing holiday. Equipped with a living area with kitchen, two bathrooms and two bedrooms, it is an creative space and perfectly comfortable including wi-fi, smart TV, air-conditioning and heating. A small nest among the leaves.

## Lodge della Serra

The Lodge della Serra is located in a secluded and quiet location of the park. It has a double bedroom and a single bedroom, separated by a bright living area. Complete with all comforts including kitchenette, refrigerator, wi-fi, smart TV, air conditioning and heating. If necessary, it can be provided with additional temporary bed.

## Lodge del Parco

The large studio consists of sleeping area with comfortable double bed, living area with sofa bed for two people and desk with coffee machine and minibar.

Complete with all comforts including wi-fi, smart tv air conditioning, heating and scenic lights.

From the sliding glass window, you can enjoy a wonderful view of the park.

## Loft della Torre

A dream night, sometimes, is enough to fall in love...

The Loft della Torre is a charming open space, with a panoramic tower.

The space is furnished with antique furniture, among which the romantic four-poster bed, and is enriched by works of art, which are the distinctive feature of the Palazzo.

Only for unforgettable moments.

## In the heart of a great Land

The Palazzo delle Biscie Village is also an opportunity to visit some of the most beautiful places in Italy.

You can easily reach Bologna, Ferrara and Ravenna, or the most famous art cities in the world such as Venice and Florence and many other places, less known but equally charming.

For those who are looking for traditions there are markets, “osterie”, the flavors of typical cuisine to taste.

For lovers of wild environments there is the great Delta of the Po river and the many valley oasis that reach the sea, unique natural habitats of incomparable beauty.

And let's not forget the bike paths, walking or horseback riding, to rediscover a slow movement on a human scale.

Choose the holiday tailored for you.

## How to get here

The Palazzo delle Biscie Village is easily accessible from the train stations of Bologna and Ferrara, from the Bologna Marconi airport and from the highways that connect Italy.
